Orthopaedic Trauma and Reconstruction
General Orthopaedics
Joint Replacement

Welcome to First State Orthopaedics

As a fellowship-trained orthopaedic surgeon, my practice is focused on orthopaedic trauma as well as general orthopaedics. It is my goal to help return you to the active, healthy lifestyle you deserve.

In addition to my extensive medical commitments, I enjoy being active, spending time with family and friends, and serving the community through my Alpha Phi Alpha fraternity activities.

Please let me know if there is anything I can do to further improve your experience at First State Orthopaedics.

I am looking forward to meeting with you.

Sincerely,

Drew A. Brady, M.D.

What to Expect:

Thank you for your patience while completing our forms. Accurate and complete information will assist us in providing you the highest possible level of care. Additionally, we appreciate your understanding and patience to see a physician. In some cases, patients require special attention or your physician may be asked to assess a serious injury. Our goal at First State Orthopaedics is to see you as soon as possible and make sure you receive individualized attention. If you require immediate assistance, please notify our front desk and we will expedite your request.
