Hip and Knee Replacement and Reconstruction
Medical Exams

Welcome to First State Orthopaedics

As a board-certified orthopaedic surgeon, my practice is focused on hip and knee replacement and reconstruction and knee arthroscopy. Every patient is important to me. I promise to devote my medical experience and expertise to helping you return to a full, active life in the shortest possible time.

Please let me know if there is anything I can do to further improve your experience at First State Orthopaedics.

I am looking forward to meeting with you.

Sincerely,

Stephen L. Hershey, M.D.

What to Expect:

Thank you for your patience while completing our forms. Accurate and complete information will assist us in providing you the highest possible level of care. Additionally, we appreciate your understanding and patience to see a physician. In some cases, patients require special attention or your physician may be asked to assess a serious injury. Our goal at First State Orthopaedics is to see you as soon as possible and make sure you receive individualized attention. If you require immediate assistance, please notify our front desk and we will expedite your request.
