Interventional Treatment of Adult Spine
Rehabilitation Medicine

Welcome to First State Orthopaedics

As a board-certified physiatrist, my practice is focused on medical and interventional treatment of the adult spine, as well as physical medicine and rehabilitation. I am here to help you. I will dedicate my medical expertise and experience to making your life better.

In addition to my extensive medical commitments, I enjoy exercising, motorcycling, spending time at the shore, and working around the house.

Please let me know if there is anything I can do to further improve your experience at First State Orthopaedics.

I am looking forward to meeting with you.

Sincerely,

James G. Moran, D.O.
