Hip and Knee Replacement Surgery
Hand and Upper Extremity Surgery
General Orthopaedics

Welcome to First State Orthopaedics

As a board-certified orthopaedic surgeon, my practice is focused on hip and knee replacement surgery, hand and upper extremity surgery, and general orthopaedics. My objective is simple. I believe that caring for you means caring about you. I like to think that I treat each patient as if they were a part of my family.

I have served as President of the Medical Society of Delaware and Chief of Orthopaedics at Christiana Care. I currently serve as Medical Director of the Christiana Care “Center for Advanced Joint Replacement.” I support Archmere and Ursuline Academies, and am a member of the editorial board at the Delaware Medical Journal. I also enjoy spending time with my family.

Please let me know if there is anything I can do to further improve your experience at First State Orthopaedics.

I am looking forward to meeting with you.

Sincerely,

Leo W. Rasis, M.D.

What to Expect:

Thank you for your patience while completing our forms. Accurate and complete information will assist us in providing you the highest possible level of care. Additionally, we appreciate your understanding and patience to see a physician. In some cases, patients require special attention or your physician may be asked to assess a serious injury. Our goal at First State Orthopaedics is to see you as soon as possible and make sure you receive individualized attention. If you require immediate assistance, please notify our front desk and we will expedite your request.
