

## Robert A. Steele, M.D., F.R.C.S.

Foot and Ankle Surgery  
Knee and Shoulder Specialist  
Hip Replacement

## Welcome to First State Orthopaedics

As a board-certified orthopaedic surgeon, my practice is focused on problems of the lower extremity, particularly surgery of the foot and ankle. In fact, I treat all levels of foot and ankle problems from the more routine to complex reconstructive procedures for traumatic and degenerative disorders, including arthroscopic surgery. It is my commitment to incorporate the latest medical innovations and technologies into my treatment and care of your condition. Together, we will improve the quality of your life.

In addition to my extensive medical commitments, I enjoy cycling, skiing, and track and field events.

Please let me know if there is anything I can do to further improve your experience at First State Orthopaedics.

I am looking forward to meeting with you.

Sincerely,

Robert A. Steele, M.D., F.R.C.S.

Twice voted *Delaware Today* "Top Doc"

## What to Expect:

Thank you for your patience while completing our forms. Accurate and complete information will assist us in providing you the highest possible level of care. Additionally, we appreciate your understanding and patience to see a physician. In some cases, patients require special attention or your physician may be asked to assess a serious injury. Our goal at First State Orthopaedics is to see you as soon as possible and make sure you receive individualized attention. If you require immediate assistance, please notify our front desk and we will expedite your request.
