### ***A note from Dr. Pushkarewicz:***

As a board-certified orthopaedic surgeon, my practice is focused on hip and knee replacement, shoulder and knee arthroscopy, fracture care, and sports medicine. I will dedicate my years of experience to making your days active and complete by making your body healthy and whole, again.

In addition to my extensive medical commitments, I enjoy bicycling, tennis, and skiing.

Please let me know if there is anything I can do to further improve your experience at First State Orthopaedics.

I am looking forward to meeting with you.
