

Joseph J. Straight, M.D.

Nonoperative Sports Medicine
Musculoskeletal Ultrasound
Concussion Management

Welcome to First State Orthopaedics

As a board-certified primary care sports medicine physician, my focus is on the nonoperative treatment of musculoskeletal injuries and disorders. Motivated by my own history of knee problems, my primary goal is to help you resume an active, pain-free lifestyle. I believe the best approach is collaborating with you to fully understand your condition, and build a comprehensive plan that enables you to continue doing what you love to do.

My love of sports and commitment to sports medicine reach beyond the clinical setting as I regularly volunteer my services to area high school teams. I have also been known to enjoy a round of golf and an occasional game of pool.

Please let me know if there is anything I can do to improve your experience at First State Orthopaedics.

I am looking forward to meeting with you.

Sincerely,
Joseph J. Straight, M.D.

What to Expect:

Thank you for your patience while completing our forms. Accurate and complete information will assist us in providing you the highest possible level of care. Additionally, we appreciate your understanding and patience to see a physician. In some cases, patients require special attention or your physician may be asked to assess a serious injury. Our goal at First State Orthopaedics is to see you as soon as possible and make sure you receive individualized attention. If you require immediate assistance, please notify our front desk and we will expedite your request.
